dion seminara architecture

servicing south-east queensland, brisbane, gold coast and sunshine coast

Thinking of Building or Renovating?
Thinking of purchasing a house,
block of land or business premises?
Unsure of where to start?

Get a head start with our
Brainstorming Verbal Advice

For a set fee you receive:

- Up to 2 hours verbal consultation at your house, land or business premises with our principal architect, Dion Seminara; a registered architect, design specialist and licenced builder with more than 20 years of industry experience and several design awards.
- Design ideas that meet the challenges of your requirements
- Preliminary building cost advice
- An understanding of the benefits of renovating vs building new
- Honest facts about your desires vs your budget
- An understanding of the opportunities and challenges of your house, land or building premises
- Expert advice and realistic options on how to maximise the potential of your project
- An understanding of hidden issues, including any regulatory issues relevant to your project

Upgrade Bonus!
